# Password Recovery Procedures

Document ID: 6130

---

## Introduction

### Prerequisites

- Requirements
- Components Used
- Conventions

### Index

- Routers
  - High-End Routers
  - LAN Switches
  - LAN Switch Modules
  - ATM Switches and Modules
  - Access Products
  - Integrated Services Routers (ISR) Products
  - Content Delivery Devices
  - Application Oriented Networking
  - AVVID Hardware and Applications
- Security
- Network Management Systems
- Wireless LAN
- Network Analysis Module (NAM) Module
- Storage Networking Routers
- Optical Products

### Related Information

---

## Introduction

This page is an index of password recovery procedures for Cisco products. For security reasons, the password recovery procedures listed here require physical access to the equipment.

**Note:** Cisco has announced the end of sale for the Cisco LocalDirector. Refer to the LocalDirector 400 Series End-of-Life and End-of-Sale Notices and Product Bulletins for more information.

## Prerequisites

### Requirements

There are no specific requirements for this document.

### Components Used

This document is not restricted to specific software and hardware versions.

## Conventions

Refer to Cisco Technical Tips Conventions for more information on document conventions.

## Index

### Routers

|                           |                           |  |
|---------------------------|---------------------------|--|
| Cisco 2600 Series Routers | Cisco 3600 Series Routers | Cisco 826, 827, 828, 831, 836, and 837 and SOHO 76, 77, 78, 91, 96, and 97 Routers |
|---------------------------|---------------------------|--|

### High-End Routers

|  |                           |                           |
|--|---------------------------|---------------------------|
| Cisco 12000 Series Routers                         | Cisco uBR7100             | Cisco 7200 Series Routers |
| Cisco 7000 Series Routers                          | Cisco uBR7200             | Cisco AGS                 |
| Cisco 7000 Series Route Switch Processor (RSP7000) | Cisco uBR10000            | Route Processor Module    |
| Cisco 7100 Series Routers                          | Cisco 7500 Series Routers |                           |

### LAN Switches

|                                    |  |   |
|------------------------------------|--|---|
| EtherSwitch/FastSwitch/FastHub     | Catalyst 2800 Series Switches                    | Catalyst 4000/2980G/2948G Series Switches                           |
| Catalyst 1200 Series Switches      | Catalyst 2900-XL/3500-XL Series Switches         | Catalyst 4000 (SupervisorIII) Switch                                |
| Catalyst 1600 Series Switches      | Catalyst 2901-2 Series Switches                  | Catalyst 5500/5000/2926G/2926 Series Switches                       |
| Catalyst 1700 Series Switches      | Catalyst 2948G-L3/4908G-L3/4840G Series Switches | Catalyst 6000 Series Switches Running Native IOS                    |
| Catalyst 1800 Series Switches      | Catalyst 2950 Series Switches                    | Catalyst 6500/6000 Series Switches                                  |
| Catalyst 1900/2820 Series Switches | Catalyst 3000/3100/3200 Series Switches          | Cisco Catalyst 6500 Series SSL Services Module in Native (IOS) Mode |
| Catalyst 2100 Series Switches      | Catalyst 3550 Series Switches                    | Catalyst 8510-CSR Series Switch                                     |
| Catalyst 2600 Series Switches      | Catalyst 2970 Switch                             |   |

|                                 |                                 |  |
|---------------------------------|---------------------------------|--|
|                                 |                                 | Catalyst 2950 and Catalyst 2955 Switch   |
| Catalyst 3550 Multilayer Switch | Catalyst 3560 Switch            | Catalyst 3750 Switch   |
| Catalyst 3900 Series Switches   | Catalyst 8540–CSR Series Switch | Catalyst 6500 with Supervisor 720 Running Cisco IOS Software Prior to 12.2(17)SX |

## LAN Switch Modules

|                                |               |                 |
|--------------------------------|---------------|-----------------|
| Catalyst 4232–L3 Router Module | Catalyst 5500 | Catalyst 5500   |
| Catalyst 6000 MSFC             | RSM           | Supervisor RSFC |

## ATM Switches and Modules

|                                     |                                    |                                 |
|-------------------------------------|------------------------------------|---------------------------------|
| Cisco LightStream 1010 ATM Switches | Cisco LightStream 2020             | Catalyst 8510–MSR Series Switch |
| Catalyst 8540–MSR Series Switch     | Catalyst 6500/6000                 | Catalyst 2900XL                 |
| Catalyst 5000 ATM LANE              | LANE Module<br>MPOA/LANE<br>Module | ATM Module                      |

## Access Products

|                           |  |   |
